Architecture & New Technology Committee

April 23, 2018

Eccles Broadcast Center, Dumke room

Agenda

1. Software Anywhere working group progress
2. Campus IT training survey results
3. Cellular service update and the future of DAS
4. Open floor
5. Adjourn

1. Software Anywhere working group progress

Deputy Chief Information Officer Ken Pink will discuss the status of the Software Anywhere working group, which has been meeting regularly.

2. Campus IT training survey results

The Campus IT training survey was released on April 12, with a closing date of April 19. Chief Information Officer Steve Hess, who is leading the group tasked with identifying campus IT training needs, will present the results for discussion.

3. Cellular service update and future of DAS

Mike Ekstrom, UIT director of Network and Communications Infrastructure, will discuss with the group the following:

- Verizon SpiderCloud project kicking off
- Future of 5G and its implications for campus
- In-building Distributed Antenna System (DAS) important things to consider

4. Open floor

Any issues that need to be discussed here publicly before we next meet?
