

My Degree Dashboard will be unavailable on 2/6-2/7

You are receiving this email because you are subscribed to UIT's public email list.

The **My Degree Dashboard** system, including degree audits and the planning tool, will undergo planned maintenance **from February 6 at 12:01 a.m. – February 7 at 11:59 p.m.**

During the maintenance period, My Degree Dashboard (audits and plans) will be unavailable for students, faculty, and staff. Prior to the maintenance event, students and staff may wish to generate and save a printer-friendly version (.pdf) in case they need it during the outage. In addition, creating a new plan will be unavailable once the system comes back online. However, users will still be able to edit and view current plans. The ability to create plans will be restored as soon as possible, and we will notify the campus community at that time. We apologize for the inconvenience.

Please share this downtime information with your students, instructors, and staff.

If you have questions, please contact degreedashboard@utah.edu. Your local IT support staff also may be able to assist, or you may contact the UIT Help Desk at 801-581-4000, option 1.

Visit the [University IT Services Status page](#) for information during this and future maintenance events.
