

UIT announcements and reminders for the University of Utah campus

You're receiving this email because you're subscribed to UIT's public email list.

Node 4 will return in April!

For the past few weeks we've been focusing on COVID-19, earthquake, and other urgent communication needs, so we're taking a break from Node 4 this month. In the meantime, please see below for recent announcements we've sent to the U's IT community, our top 10 most popular Node 4 stories from the past year, and information about our Twitter accounts.

Recent announcements

We've been busy since our last newsletter! In case you missed it, here's a list of recent announcements sent to the broader IT community. As always, you can access a list of our public announcements in [our archive](#).

- [ISO warns of COVID-19 phishing attempts](#)
- [Telecommuting? Follow these cybersecurity best practices.](#)
- [UIT increases bandwidth, IP ranges for university VPNs](#)
- [COVID-19 Remote Resources Guide now available](#)
- [Network maintenance on 3/13 will require VPN users to reconnect](#)
- [UIT to launch redesigned website on 3/13](#)
- [UIT preparations for possible increased telecommuting for students and faculty](#)
