

Look of Teams, Skype meeting invitations to change

You're receiving this email because you're subscribed to UIT's public email list.

Two upcoming planned maintenance events will change the appearance and functionality of meeting invitations in Microsoft Teams and Skype for Business applications. These changes will not impact Teams or Skype services. New appointments will simply enable **Poly RealConnect**, a service that allows conference rooms to join Teams and Zoom meetings, in addition to Skype meetings.

Current Teams interface:

Location:

Organizer: ●

Duration: All day event

Starts:

Ends:

Accepted on 5/29/20, 3:06 PM.
