

Node 4 newsletter — March 2021
for the University of Utah community

You're receiving this email because you're subscribed to UIT's public email list.

Registration is now required for university websites

The U website registry, a comprehensive database of university websites and web administrator contact information, identifies responsible parties should an issue arise and helps ensure the accuracy, consistency, security, and integrity of all U websites.

New website centralizes online resources for campus webmasters

Recently launched, the U webmaster resources website is a central directory for website-related services, guidelines, and best practices to help campus webmasters easily and intuitively manage their websites.

[UIT staff recognized for their excellent work](#)

UIT Leadership Spotlight: Trevor Long, Associate Director, Governance, Risk & Compliance

The Information Security Office associate director, who models his leadership style after his first boss at the University of Utah, said trust is crucial in order for employees to thrive in the workplace.

Updates & Reminders

Oracle Java licensing
System administrators [must migrate to alternative no-cost or low-cost Oracle Java products](#) as soon as possible

Don't give up the keys to the castle — be identity smart

Ahead of Identity Management Day on April 13, Identity & Access Management Associate Director Chris Stucker discusses how we can help prevent attackers from compromising our identities and breaching the university's defenses.

Departing the U?

Students and staff should take care of housekeeping tasks related to [university IT accounts, data, and tech services](#)

UIT teams provided 'monumental' support for Carson Tahoe project

Several UIT teams worked with U of U Health to implement Epic and MyChart at the Carson Tahoe Health system in Nevada — a momentous feat that included 72 interface builds, 130,000 total work hours, and 500,000 patient records.

Upcoming ITIL training

There's still time to register for the [three-day course](#) in April. Dates for May also are available.
