

Planned network maintenance with downtime on 4/17

You're receiving this email because you're subscribed to UIT's public email list.

UIT will perform network maintenance on **Saturday, April 17, 2021, from 8:00 a.m. to 2:00 p.m.** Some university buildings may experience brief, approximately one-minute network downtimes during the maintenance window, though the potential for longer outages exists.

A list of 31 potentially-affected buildings is available in Box (authentication is required):

If you have questions, your local IT support staff may be able to assist, or you may contact your respective help desk: UIT Help Desk at 801-581-4000, option 1; ITS Service Desk at 801-587-6000.

Please visit the [University IT Services Status page](#) for information during this and future maintenance events.

Technical details:

As part of a hardware lifecycle upgrade, Library node network routers will be replaced on Saturday, April 17, 2021, from 8:00 a.m. to 2:00 p.m. UIT is directly contacting IT staff in buildings that may be impacted to inform them of the downtime. IT service owners are encouraged to test their systems after the maintenance work is complete, and asked to report any system issues by opening a "high" ticket for the Network Services team by calling 801-581-4000, option 1.
