

May 8 network downtime has been postponed

You're receiving this email because you're subscribed to UIT's public email list.

To avoid potential disruptions to live commencement streams, planned network maintenance with downtime originally scheduled for April 17, 2021, and rescheduled for May 8, 2021, has been postponed. Network maintenance scheduled for April 26, 2021 will take place as planned. [Access the previous announcement](#) for more details.

When a new date has been identified, announcements will be distributed.

Please visit the [University IT Services Status page](#) for information during these and future maintenance events.
