

Please update your UIT subscription preferences

You're receiving this email because you're subscribed to UIT's public email list.

Starting **today, September 30, 2021**, UIT public email list subscribers have access to a subscription preferences center, where they can select which type of messages they would like to receive. This will help ensure that subscribers receive only the news they need/want.

Thank you to those who completed our survey. Based on your feedback, most subscribers preferred the categories we proposed, although other options are under consideration and we may make adjustments in the future.

Current options include:

- **Node 4 newsletter:** A monthly email with UIT news. [Example](#)
- **High-impact planned downtime notices:** Information about planned downtimes that affect critical, university-wide IT services, such as Campus Information Services (CIS); UMail, Teams, and other Microsoft Exchange services; and wired and wireless network services. [Example](#)
- **Low-impact downtime notices:** Information about planned downtimes that affect less critical or role-specific IT services, such as Degree Audit Report System, PeopleSoft, and Ultimate Kronos Group. [Example](#)
- **Announcements:** Timely information about IT initiatives, security updates and vulnerabilities, software, products, services, leadership hires, and more. [Example](#)
- **Surveys:** Your opportunity to provide input on IT initiatives, campus software licensing agreements, and more. [Example](#)

Please take a few minutes to update your subscription preferences.

[Update preferences](#)

Subscribers also can access their subscription preferences center using the "Manage your preferences" link at the bottom of this and all UIT public emails. New subscribers will receive a confirmation email with the link as well.

Note: Existing subscribers will automatically receive all messages. To opt out of a specific category, you must manage your subscription.

For more information, please visit [this IT Knowledge Base article](#).

If you have any questions, please contact the UIT Strategic Communication team at uit@utah.edu. Thank you for subscribing!
