Due to a planned PeopleSoft upgrade, several production servers and applications will be unavailable on Saturday, September 24, 2022, from 5:00 a.m. to 5:00 p.m. This maintenance is necessary to keep University of Utah systems current, running efficiently, and secure.

The following systems will not be available:

- PeopleSoft Human Resources (HR) and related web applications, e.g., Ubenefits, Department Job Summary or D-Jobs, and University Internal Jobs
- Peoplesoft HR HelpDesk (CRM)

Note: Cognizant service owners have been contacted and splash pages for unavailable systems will be posted during the outage.

The following systems will be available:

- PeopleSoft Campus Solutions (HE)
- PeopleSoft Financials (FS)
- Campus Information Services (CIS)
- Ultimate Kronos Group (UKG)
- Canvas
- UMail
- utah.edu

If you have questions, your local IT support staff may be able to assist, or you may contact your respective help desk: UIT Help Desk at 801-581-4000; ITS Service Desk at 801-587-6000.

Please visit the University IT Services Status page for information during this and future maintenance events.
