UIT will perform planned maintenance on login services on **Wednesday, October 18, 2023, from 8:00 p.m. to 10:00 p.m.** During the maintenance window, users may experience up to one hour of downtime for University of Utah and University of Utah Health IT services, applications, and websites that require central authentication service (CAS) or Shibboleth authentication protocols.

Apps, services, and websites include, but are not limited, to:

- Box
- Campus Information Services (CIS)
- Canvas
- PeopleSoft and related student and faculty web apps
- Ultimate Kronos Group (UKG)
- Virtual private network (VPN)
- Zoom

For technical details, please access [this document in Box](login required).

If you have questions, your local IT support staff may be able to assist, or you may contact your respective help desk: UIT Help Desk (801-581-4000) or ITS Service Desk (801-587-6000).

Please visit the [University IT Services Status page](#) for information during this and future maintenance events.
