You've received this email because you're subscribed to UIT's public email list.

UIT will upgrade geographic information system (GIS) databases on Sunday, November 19, 2023, from 10:00 a.m. to 11:00 a.m. This planned maintenance event will result in a downtime of 45 minutes or less for Campus Map and other GIS-dependent web applications, including My Class Map, UPark, and the Network Monitoring Map.

If you have questions, your local IT support staff may be able to assist, or you may contact your respective help desk: UIT Help Desk (801-581-4000) or ITS Service Desk (801-587-6000).

Please visit the University IT Services Status page for information during this and future maintenance events.
