

Survey: *Qualtrics survey tool needs assessment*

You're receiving this email because you're subscribed to UIT's public email list

The University of Utah would like your help to assess the campus-wide need for **Qualtrics Research Core**, a survey tool. Your response will help us determine a license cost structure for academic and administrative use at the U.

[Take the Survey](#)

Please coordinate with your organization to provide one survey response per ORGID, if possible. The survey should take ~10 minutes to complete, and will close on **Wednesday, July 3, 2019 at 5:00 p.m.**

The survey link will also be distributed to faculty and staff via [@TheU](#).

Please help by distributing the survey link to other employees and university units so we have the most comprehensive view of university-wide Qualtrics needs.

If you have questions, please contact UIT's Office of Software Licensing: software@utah.edu.
