UIT will conduct planned network maintenance on Sunday, March 8, 2020, from 12:30 a.m. - 5:30 a.m. (the maintenance window is four hours; this time frame accounts for daylight saving time). A network outage is not expected, and users on campus and in U hospitals and clinics will have access to their applications, however, there may be brief interruptions to internet connectivity during the maintenance window.

If you have questions, your local IT support staff may be able to assist, or you may contact your respective help desk: UIT Help Desk (801-581-4000, option 1) or ITS Service Desk (801-587-6000).

Please visit the University IT Services Status page for information during this and future maintenance events.
