

Architecture & New Technology Committee

April 24, 2017

Eccles Broadcast Center, Dumke room

Agenda

1. Welcome new member
2. Computer lab statistics monitoring working group update
3. Campus IT strategic plan year in review
4. Campus wireless strategy
5. Unified Communications strategy
6. Open floor
7. Adjourn

1. Welcome new member

With the retirement of Dean Church, the new representative for Financial and Business Services is John Levandowski. John is the Associate Director of Business Analysis & Support Services for FBS. He joins Group 7, with Facilities and Human Resources.

2. Computer lab statistics monitoring update

Jon Thomas will update the group on the progress of the computer lab statistics monitoring working group created by ANTC in January's meeting.

3. Campus IT strategic plan year in review

The campus IT strategic plan was approved by the ANTC and SITC in May 2016. The committee will review progress made to date and discuss whether there are any updates that should be made to the plan. The group may be asked to re-approve the plan, so this could be an action item.

[Information on what has been done to this point can be found in the Box folder.](#) The first two slides are the approved campus IT plan, and the following slides drill down into the goals in each area.

4. Campus wireless strategy

Trevor Long will present UIT's Wi-Fi strategy. The committee is being asked for feedback, and could vote on the plan.

[A document with the Wi-Fi strategy can be found here.](#) [The slides for the presentation can be found here.](#)

5. Unified Communications strategy

Mike Ekstrom will present UIT's Unified Communications strategy. The committee is being asked for feedback, and could vote on the plan.

[Slides for the presentation can be found here.](#)

6. Open floor

Any issues that need to be discussed here publicly before we next meet?
