1. Digital accessibility for people with disabilities

Mary Lou Mobley, National Disability Expert for the Office for Civil Rights, will give a 15-minute Skype presentation on digital accessibility.

This is an information item.
2. CMS executive summary

At the September 2018 EWAC meeting, Barb Iannucci, associate director for content management and usability for University Information Technology, Nate Tanner, director of marketing and sales for Interactive Marketing & Web, and Scott Troxel, director of digital strategy for University Marketing & Communications were asked to draft an executive summary identifying specific problems with the university’s decentralized web services and recommended solutions. The group will present their findings for discussion.

The current draft of the executive summary is available in Box.

This is an action item.
3. Open floor

Any issues that need to be discussed here publicly before we next meet?
