Summary

1. Introduction of new members

Jodi Emery introduced new EWAC members. Information item.

2. Policy 4-003 next steps

Paula Millington reviewed the implementation and next steps for Policy 4-003. Action item. The committee decided:

a) To assign the task of developing and launching a new University of Utah website registry and audit website to UIT’s Content Management and Usability team, led by Associate Director Barb Iannucci.
b) To create a small ad hoc steering committee for the project. The steering committee includes Iannucci, Kim Tanner from UIT Software Platform Services, Corey Roach/ISO delegatee, and James Elder from CECE.
c) That the December 31, 2019 registration deadline for U websites is not feasible. A new registration deadline will be identified later.

3. Subcommittee or task force implementation

The meeting concluded before discussion of this topic commenced.
